**Master Billy Halford**

Dear Billy

It is with great pleasure that I can inform you that you won the Kings Hill FC badge competition.

As you know we invited all the boys to submit their idea on a new badge and we had a very good response from everyone. The committee narrowed down all the ideas to five and made a decision between those five. Your design was chosen and passed to a marketing company to produce your design in a professional manner to be used throughout the club.

On the evening of Tuesday 10<sup>th</sup> February all the managers and coaches met and endorsed your design, and this will now be the new club badge. I have enclosed a copy of your original design and a copy of the new badge which will be on every shirt at Kings Hill football club in future.

Well done Billy you should be very proud of this achievement. I will come and see you in the coming weeks at either your training session or your matches to organise your chosen premier league game of football for you and your family to watch and enjoy.

Yours Sincerely

**Robin Stanton-Gleaves**
