

## Kings Hill Football Club Badge Competition

As you may or may not be aware the current Kings Hill FC badge is not an official badge, it is in fact an off the shelf badge. The Football Club committee would like to have an official badge for the club so that all new shirts going into 2008 will have the club badge.

Therefore we are inviting all the children registered with the club to put pencils and paper together and come up with their ideas for a new badge.

We would like their ideas to encompass Kings Hill as a place and its association with football.

The executive committee and invited parties will be the judges and their decision will be final. The winning idea will then be passed to a professional designer to put into shape and the correct format so as to go on the shirts and be the recognised badge of Kings Hill Football Club

The winning idea will receive 4 tickets at the premiership game of their choice.

Please draw your idea in the box below, showing the colours and complete your name and send the idea to the Chairman, Robin Stanton-Gleaves at )

The closing date is Sunday 16th November so please ensure your design reaches us in time.

Child's Name: Billy Hatford
